CONTRIBUTION

towards improving public management
and sustainable public finances

JOSÉ F. F. TAVARES
President

Why ?

“At the start of this new Legislature, the Court of Auditors reaffirms and shares with the Parliament and the Government an organized and systematized set of subject matters and areas in which the actions of the legislative and executive powers may result in consistent and sustainable improvements to public finances and public management in general”.

(In Introductory Note)

Why ?

- **Contribute** to the good management and sustainability of public finances
- **Inform** newly installed Legislative and Executive
- **Remember** that they are accountable for the considerations of the recommendations
- **Encourage** the consideration of recommendations in the design of new public policies
- **Foster** informed citizenship

A large, stylized, golden-brown letter 'C' is the central graphic element on the left side of the slide. It is set against a background of faint, overlapping circular patterns and architectural motifs in shades of blue and white.
